The Devil You Know-Charles M. Blow
2021-01-26 A MOST ANTICIPATED BOOK: San Francisco Chronicle, O, the Oprah Magazine, Time Out, Town and Country, Lithub From journalist and New York Times bestselling author Charles Blow comes a powerful manifesto and call to action for Black Americans to amass political power and fight white supremacy. Race, as we have come to understand it, is a fiction; but, racism, as we have come to live it, is a fact. The point here is not to impose a new racial hierarchy, but to remove an existing one. After centuries of waiting for white majorities to overturn white supremacy, it seems to me that it has fallen to Black people to do it themselves. Acclaimed columnist and author Charles Blow never wanted to write a “race book.” But as

violence against Black people—both physical and psychological—seemed only to increase in recent years, culminating in the historic pandemic and protests of the summer of 2020, he felt compelled to write a new story for Black Americans. He envisioned a succinct, counterintuitive, and impassioned corrective to the myths that have for too long governed our thinking about race and geography in America. Drawing on both political observations and personal experience as a Black son of the South, Charles set out to offer a call to action by which Black people can finally achieve equality, on their own terms. So what will it take to make lasting change when small steps have so frequently failed? It’s going to take an unprecedented shift in power. The Devil You Know is a groundbreaking manifesto, proposing nothing short of the most audacious power play by Black people in the history of this country. This book is a grand exhortation to generations of a people, offering a road map to true and lasting freedom.

The Hope of Glory-Jon Meacham 2020-02-18 NEW YORK TIMES BESTSELLER • Pulitzer Prize-winning author Jon Meacham explores the seven last sayings of Jesus as recorded in the Gospels, combining rich historical and theological insights to reflect on the true heart of the Christian story. For Jon Meacham, as for believers worldwide, the events of Good Friday and Easter reveal essential truths about Christianity. A former vestryman of Trinity Church Wall Street and St. Thomas Church Fifth Avenue, Meacham delves into that intersection of faith and history in this meditation on the seven phrases Jesus spoke from the cross. Beginning

with "Father, forgive them, for they do not know what they do" and ending with "Father, into thy hands I commend my spirit," Meacham captures for the reader how these words epitomize Jesus's message of love, not hate; grace, not rage; and, rather than vengeance, extraordinary mercy. For each saying, Meacham composes an essay on the origins of Christianity and how Jesus's final words created a foundation for oral and written traditions that upended the very order of the world. Writing in a tone more intimate than any of his previous works, Jon Meacham returns us to the moment that transformed Jesus from a historical figure into the proclaimed Son of God, worshiped by billions.

Across That Bridge-John Lewis 2017-08-15
Now in paperback, with a new introduction by

Congressman John Lewis, **ACROSS THAT BRIDGE** is the winner of the NAACP Image Award for Outstanding Literary Work/Biography. In turbulent times Americans look to the Civil Rights Movement as the apotheosis of political expression. As we confront questions of social inequality there's no better time to revisit the lessons of the '60s and no better leader to learn from than Congressman John Lewis. In *Across That Bridge*, Congressman Lewis draws from his experience as a leader of the Civil Rights Movement to offer timeless guidance to anyone seeking to live virtuously and transform the world. His wisdom, poignant recollections, and powerful ideas will inspire a new generation to usher in a freer, more peaceful society. The Civil Rights Movement gave rise to the protest culture we know today, and the experiences of leaders like Congressman Lewis have never been more relevant. Now featuring an updated introduction from the author addressing the current administration, *Across that Bridge* offers a strong and moral voice to guide our nation through an era of great uncertainty. lesson I have learned in the fifty years I have spent working toward the building of a better world is that the true work of social transformation starts within. It begins inside your own heart and mind, because the battleground of human transformation is really, more than any other thing, the struggle within the human consciousness to believe and accept what is true. Thus to truly revolutionize our society, we must first revolutionize ourselves. We must be the change we seek if we are to effectively demand transformation from others." - --John Lewis in *Across That Bridge*

This Wound Is a World-Billy-Ray Belcourt
2019-09-03 The new edition of a prize-winning memoir-in-poems, a meditation on life as a queer Indigenous man—available for the first time in the United States “i am one of those hopeless romantics who wants every blowjob to be transformative.” Billy-Ray Belcourt’s debut poetry collection, *This Wound Is a World*, is “a prayer against breaking,” writes trans

Anishinaabe and Métis poet Gwen Benaway. “By way of an expansive poetic grace, Belcourt merges a soft beauty with the hardness of colonization to shape a love song that dances Indigenous bodies back into being. This book is what we’ve been waiting for.” Part manifesto, part memoir, *This Wound Is a World* is an invitation to “cut a hole in the sky / to world inside.” Belcourt issues a call to turn to love and sex to understand how Indigenous peoples shoulder their sadness and pain without giving up on the future. His poems upset genre and play with form, scavenging for a decolonial kind of heaven where “everyone is at least a little gay.” Presented here with several additional poems, this prize-winning collection pursues fresh directions for queer and decolonial theory as it opens uncharted paths for Indigenous poetry in North America. It is theory that sings, poetry that marshals experience in the service of a larger critique of the coloniality of the present and the tyranny of sexual and racial norms.

2034-Elliot Ackerman 2021 From two former military officers and award-winning authors, a chillingly authentic geopolitical thriller that imagines a naval clash between the US and China in the South China Sea in 2034--and the path from there to a nightmarish global conflagration. On March 12, 2034, US Navy Commodore Sarah Hunt is on the bridge of her flagship, the guided missile destroyer USS John Paul Jones, conducting a routine freedom of navigation patrol in the South China Sea when her ship detects an unflagged trawler in clear distress, smoke billowing from its bridge. On that same day, US Marine aviator Major Chris "Wedge" Mitchell is flying an F35E Lightning over the Strait of Hormuz, testing a new stealth technology as he flirts with Iranian airspace. By the end of that day, Wedge will be an Iranian prisoner, and Sarah Hunt's destroyer will lie at the bottom of the sea, sunk by the Chinese Navy. Iran and China have clearly coordinated their moves, which involve the use of powerful new forms of cyber weaponry that render US ships and planes defenseless. In a single day,

America's faith in its military's strategic pre-eminence is in tatters. A new, terrifying era is at hand. So begins a disturbingly plausible work of speculative fiction, co-authored by an award-winning novelist and decorated Marine veteran and the former commander of NATO, a legendary admiral who has spent much of his career strategically outmaneuvering America's most tenacious adversaries. Written with a powerful blend of geopolitical sophistication and human empathy, 2034 takes us inside the minds of a global cast of characters--Americans, Chinese, Iranians, Russians, Indians--as a series of arrogant miscalculations on all sides leads the world into an intensifying international storm. In the end, China and the United States will have paid a staggering cost, one that forever alters the global balance of power. Everything in 2034 is an imaginative extrapolation from present-day facts on the ground combined with the authors' years working at the highest and most classified levels of national security. Sometimes it takes a brilliant work of fiction to illuminate the most dire of warnings: 2034 is all too close at hand,

World of Wonders-Aimee Nezhukumatathil
2020-09-08 From beloved, award-winning poet Aimee Nezhukumatathil comes a debut work of nonfiction—a collection of essays about the natural world, and the way its inhabitants can teach, support, and inspire us. As a child, Nezhukumatathil called many places home: the grounds of a Kansas mental institution, where her Filipina mother was a doctor; the open skies and tall mountains of Arizona, where she hiked with her Indian father; and the chillier climes of

western New York and Ohio. But no matter where she was transplanted—no matter how awkward the fit or forbidding the landscape—she was able to turn to our world’s fierce and funny creatures for guidance. “What the peacock can do,” she tells us, “is remind you of a home you will run away from and run back to all your life.” The axolotl teaches us to smile, even in the face of unkindness; the touch-me-not plant shows us how to shake off unwanted advances; the narwhal demonstrates how to survive in hostile environments. Even in the strange and the unlovely, Nezhukumatathil finds beauty and kinship. For it is this way with wonder: it requires that we are curious enough to look past the distractions in order to fully appreciate the world’s gifts. Warm, lyrical, and gorgeously illustrated by Fumi Nakamura, *World of Wonders* is a book of sustenance and joy.

of verse that speaks to the injustices of society while illuminating the depths of her own heart. For more than thirty years, Nikki Giovanni's poetry has inspired, enlightened, and dazzled readers. As sharp and outspoken as ever, this artist long hailed as a healer and a sage returns with this profound book of poetry in which she continues to call attention to injustice and give readers an unfiltered look into the most private parts of herself. In *Make Me Rain*, she celebrates her loved ones and unapologetically declares her pride in her black heritage, while exploring the enduring impact of the twin sins of racism and white nationalism. Giovanni reaffirms her place as a uniquely vibrant and relevant American voice with poems such as "I Come from Athletes" and "Rainy Days"—calling out segregation and Donald Trump; as well as "Unloved (for Aunt Cleota)" and "'When I Could No Longer"—her personal elegy for the relatives who saved her from an abusive home life. Stirring, provocative, and resonant, the poems in *Make Me Rain* pierce the heart and nourish the soul.

For All of Us, One Today-Richard Blanco 2013

"A fluid, poetic memoir anchored by Richard Blanco's experiences as America's fifth inaugural poet In this brief and evocative memoir, Richard Blanco shares his life as a Latino immigrant and openly gay man discovering a new, emotional understanding of what it means to be an American. He tells the story of the call from the White House committee and all the exhilaration and upheaval of the days that followed. He

reveals the inspiration and challenges behind the creation of the inaugural poem, "One Today," as well as two other poems commissioned for the occasion ("Mother Country" and "What We Know of Country"), published here for the first time ever, alongside translations of all three poems into his native Spanish. Finally, Blanco reflects on his spiritual embrace of Americans everywhere through the power of poetry and his vision for its new role in our nation's consciousness. Like the inaugural poem itself, *For All of Us Today* speaks to what makes this country and its people great, marking a triumphant moment in American history and letters"--

At the Edge of the Haight-Katherine Seligman
2021-01-19 The 10th Winner of the 2019 PEN/Bellwether Prize for Socially Engaged Fiction, Awarded by Barbara Kingsolver “What a read this is, right from its startling opening scene. But even more than plot, it’s the richly layered details that drive home a lightning bolt of empathy. To read *At the Edge of the Haight* is to live inside the everyday terror and longings of a world that most of us manage not to see, even if we walk past it on sidewalks every day. At a time when more Americans than ever find themselves at the edge of homelessness, this book couldn’t be more timely.” —Barbara Kingsolver, author of *Unsheltered* and *The Poisonwood Bible* Maddy Donaldo, homeless at twenty, has made a family of sorts in the dangerous spaces of San Francisco’s Golden Gate Park. She knows whom to trust, where to eat, when to move locations, and how to take care of her dog. It’s the only

home she has. When she unwittingly witnesses the murder of a young homeless boy and is seen by the perpetrator, her relatively stable life is upended. Suddenly, everyone from the police to the dead boys’ parents want to talk to Maddy about what she saw. As adults pressure her to give up her secrets and reunite with her own family before she meets a similar fate, Maddy must decide whether she wants to stay lost or be found. Against the backdrop of a radically changing San Francisco, a city which embraces a booming tech economy while struggling to maintain its culture of tolerance, *At the Edge of the Haight* follows the lives of those who depend on makeshift homes and communities. As judge Hillary Jordan says, “This book pulled me deep into a world I knew little about, bringing the struggles of its young, homeless inhabitants—the kind of people we avoid eye contact with on the street—to vivid, poignant life. The novel demands that you take a close look. If you knew, could you still ignore, fear, or condemn them? And knowing, how can you ever forget?”

of a shared American history. Oates is perhaps best known for her prodigious output of novels and short stories, many of which have become contemporary classics. However, Oates has also always been a faithful writer of poetry. American Melancholy showcases some of her finest work of the last few decades. Covering subjects big and small, and written in an immediate and engaging style, this collection touches on both the personal and political. Loss, love, and memory are investigated, along with the upheavals of our modern age, the reality of our current predicaments, and the ravages of poverty, racism, and social unrest. Oates skillfully writes characters ranging from a former doctor at a Chinese People's Liberation Army hospital to Little Albert, a six-month-old infant who took part in a famous study that revealed evidence of classical conditioning in human beings.

How to Wash a Heart-Bhanu Kapil 2020 Part horror, part comedy, this poetry collection considers the changing relations between a

citizen white host with liberal political views, and an immigrant guest whose visa status is precarious. Looking at the limits of charitable acts, the breakdown of a social relationship, these poems are written for a raw voice.

How to Love a Country-Richard Blanco 2019 A new collection from the renowned inaugural poet exploring immigration, gun violence, racism, LGBTQ issues, and more, in accessible and emotive verses As presidential inaugural poet, memoirist, public speaker, educator, and advocate, Richard Blanco has crisscrossed the nation inviting communities to connect to the heart of human experience and our shared identity as a country. In this new collection of poems, his first in over seven years, Blanco continues to invite a conversation with all Americans. Through an oracular yet intimate and accessible voice, he addresses the complexities and contradictions of our nationhood and the unresolved sociopolitical matters that affect us all. The poems form a mosaic of seemingly varied

topics: the Pulse Nightclub massacre; an unexpected encounter on a visit to Cuba; the forced exile of 8,500 Navajos in 1868; a lynching in Alabama; the arrival of a young Chinese woman at Angel Island in 1938; the incarceration of a gifted writer; and the poet's abiding love for his partner, who he is finally allowed to wed as a gay man. But despite each poem's unique concern or occasion, all are fundamentally struggling with the overwhelming question of how to love this country. Seeking answers, Blanco digs deep into the very marrow of our nation through poems that interrogate our past and present, grieve our injustices, and note our flaws, but also remember to celebrate our ideals and cling to our hopes. In the landmark poem "American Wandersong," which forms the center of the book, the poet reveals himself to readers in a disarming and kinetic sequence of stanzas, striving to find his place amid the physical and emotional landscapes of our country. Through this groundbreaking volume, Blanco unravels the very fabric of the American narrative and pursues a resolution to the inherent

contradiction of our nation's psyche and mandate: e pluribus unum (out of many, one). Charged with the utopian idea that no single narrative is more important than another, this book asserts that America could and ought someday to be a country where all narratives converge into one, a country we can all be proud to love and where we can all truly thrive.

and save his own soul through an audacious adventure. In the 1930s, as official government expeditions set their sights on conquering Mount Everest, a little-known World War I veteran named Maurice Wilson conceives his own crazy, beautiful plan: he will fly a plane from England to Everest, crash-land on its lower slopes, then become the first person to reach its summit—all utterly alone. Wilson doesn't know how to climb. He barely knows how to fly. But he has the right plane, the right equipment, and a deep yearning to achieve his goal. In 1933, he takes off from London in a Gipsy Moth biplane with his course set for the highest mountain on earth. Wilson's eleven-month journey to Everest is wild: full of twists, turns, and daring. Eventually, in disguise, he sneaks into Tibet. His icy ordeal is just beginning. Wilson is one of the Great War's heroes, but also one of its victims. His hometown of Bradford in northern England is ripped apart by the fighting. So is his family. He barely survives the war himself. Wilson returns from the conflict unable to cope with the sadness that engulfs him. He begins a years-long trek around

the world, burning through marriages and relationships, leaving damaged lives in his wake. When he finally returns to England, nearly a decade after he first left, he finds himself falling in love once more—this time with his best friend's wife—before depression overcomes him again. He emerges from his funk with a crystalline ambition. He wants to be the first man to stand on top of the world. Wilson believes that Everest can redeem him. This is the tale of an adventurer unlike any you have ever encountered: complex, driven, wry, haunted, and fully alive. He is a man written out of the history books—dismissed as an eccentric, and gossiped about because of rumors of his transvestism. The Moth and the Mountain restores Maurice Wilson to his rightful place in the annals of Everest and tells an unforgettable story about the power of the human spirit in the face of adversity.

words and stunning illustrations, Margarita Engle and Rafael López tell the story of Teresa Carreño, a child prodigy who played piano for Abraham Lincoln. As a little girl, Teresa Carreño loved to let her hands dance across the beautiful keys of the piano. If she felt sad, music cheered her up, and when she was happy, the piano helped her share that joy. Soon she was writing her own songs and performing in grand cathedrals. Then a revolution in Venezuela forced her family to flee to the United States. Teresa felt lonely in this unfamiliar place, where few of the people she met spoke Spanish. Worst of all, there was fighting in her new home, too—the Civil War. Still, Teresa kept playing, and soon she grew famous as the talented Piano Girl who could play anything from a folk song to a sonata. So famous, in fact, that President Abraham Lincoln wanted her to play at the White House! Yet with the country torn apart by war, could Teresa’s music bring comfort to those who needed it most?

He was also the dynamic leader of war protesters,

artists, Flower Power hippies, musicians, punks, and political radicals. The Essential Ginsberg collects a mosaic of materials that displays the full range of Ginsberg's mental landscape. His most important poems, songs, essays, letters, journals, and interviews are displayed in chronological order. His poetic masterpieces, "Howl" and "Kaddish," are presented here along with lesser-known and difficult to find songs and prose. Personal correspondence with William Burroughs and Jack Kerouac is included as well as photographs—shot and captioned by Ginsberg himself—of his friends and fellow rogues William Burroughs, Neal Cassady, and more. Through his essays, journals, interviews, and letters, this definitive volume will inspire readers to delve deeper into a body of work that remains one of the most impressive literary canons in American history.

narrative voice has a way of getting under the skin."--The New York Times Book Review
"Caribbean patois adorns this novel with graceful rhythms...Beneath it lie complex, clearly evoked characters, haunting descriptions of exotic planets, and a stirring story...[This book] ought to elevate Hopkinson to star status." --Seattle Times
It's Carnival time and the Caribbean-colonized planet of Toussaint is celebrating with music, dance, and pageantry. Masked "Midnight Robbers" waylay revelers with brandished weapons and spellbinding words. To young Tan-Tan, the Robber Queen is simply a favorite costume to wear at the festival--until her power-corrupted father commits an unforgiveable crime. Suddenly, both father and daughter are thrust into the brutal world of New Half-Way Tree. Here monstrous creatures from folklore are real, and the humans are violent outcasts in the wilds. Tan-Tan must reach into the heart of myth and become the Robber Queen herself. For only the Robber Queen's legendary powers can save her life . . . and set her free.

The Essex Serpent-Sarah Perry 2017-06-06 A Kirkus Review Best Book of 2017 and a Washington Post Notable Work of Fiction. Winner of the British Book Awards Fiction Book of the Year and overall Book of the Year, selected as the Waterstones Book of the Year, and a Costa Book Award Finalist "A novel of almost insolent ambition--lush and fantastical, a wild Eden behind a garden gate...it's part ghost story and part natural history lesson, part romance and part feminist parable. I found it so transporting that 48 hours after completing it, I was still resentful to be back home." -New York Times "An irresistible new novel...the most delightful heroine since Elizabeth Bennet in *Pride and Prejudice*...By the end, *The Essex Serpent* identifies a mystery far greater than some creature 'from the illuminated margins of a manuscript': friendship." -Washington Post "Richly enjoyable... Ms. Perry writes beautifully and sometimes agreeably sharply... *The Essex Serpent* is a wonderfully satisfying novel. Ford Madox Ford thought the glory of the novel was

its ability to make the reader think and feel at the same time. This one does just that." -Wall Street Journal An exquisitely talented young British author makes her American debut with this rapturously acclaimed historical novel, set in late nineteenth-century England, about an intellectually minded young widow, a pious vicar, and a rumored mythical serpent that explores questions about science and religion, skepticism, and faith, independence and love. When Cora Seaborne's brilliant, domineering husband dies, she steps into her new life as a widow with as much relief as sadness: her marriage was not a happy one. Wed at nineteen, this woman of exceptional intelligence and curiosity was ill-suited for the role of society wife. Seeking refuge in fresh air and open space in the wake of the funeral, Cora leaves London for a visit to coastal Essex, accompanied by her inquisitive and obsessive eleven-year old son, Francis, and the boy's nanny, Martha, her fiercely protective friend. While admiring the sites, Cora learns of an intriguing rumor that has arisen further up the estuary, of a fearsome creature said to roam

the marshes claiming human lives. After nearly 300 years, the mythical Essex Serpent is said to have returned, taking the life of a young man on New Year's Eve. A keen amateur naturalist with no patience for religion or superstition, Cora is immediately enthralled, and certain that what the local people think is a magical sea beast may be a previously undiscovered species. Eager to investigate, she is introduced to local vicar William Ransome. Will, too, is suspicious of the rumors. But unlike Cora, this man of faith is convinced the rumors are caused by moral panic, a flight from true belief. These seeming opposites who agree on nothing soon find themselves inexorably drawn together and torn apart—an intense relationship that will change both of their lives in ways entirely unexpected. Hailed by Sarah Waters as "a work of great intelligence and charm, by a hugely talented author," The Essex Serpent is "irresistible . . . you can feel the influences of Mary Shelley, Bram Stoker, Wilkie Collins, Charles Dickens, and Hilary Mantel channeled by Perry in some sort of Victorian séance. This is the best new novel I've read in

The Hill We Climb-Amanda Gorman

2021-03-31T00:00:00+02:00 Le parole possono tutto. Questo ci insegna Amanda Gorman. Ci insegna a cercare la luce dietro ogni ombra, a costruire l'alba dopo ogni notte, a resistere davanti a ogni ostacolo. Bisogna farlo non per sé stessi, perché l'uno è nulla senza la moltitudine. Bisogna farlo per creare sempre più ponti che uniscano le persone. Solo la condivisione, la fratellanza, il superare le differenze ci salverà. Solo insieme possiamo scalare il colle. Oltre i

confini, oltre gli orizzonti, oltre le distanze, siamo un unico popolo. Un popolo che ha bisogno di credere ancora, di credere di nuovo. E le parole di Amanda Gorman ci sono state regalate per questo. Per guardare al futuro con occhi diversi, con gli occhi di chi sa cosa c'è dietro ma è tutto teso nella volontà di generare il nuovo. Amanda Gorman è diventata una leggenda. Perché chi riesce a infondere coraggio e speranza lo è. E' luce. E sprona tutti noi a diventarlo. Davanti al Campidoglio, durante la cerimonia all'insediamento della presidenza di Joe Biden, la ventiduenne Amanda Gorman senza esitazione alcuna ha dato voce alla sua generazione. Da quel momento la stampa di tutto il mondo non ha mai smesso di parlare di lei. Michelle e Barack Obama hanno visto in lei una fonte di ispirazione a cui guardare con orgoglio. Poetessa, attivista di successo premiata a livello internazionale, da anni lotta per l'uguaglianza razziale, la giustizia di genere, i diritti umani e la difesa dell'ambiente. È la donna più giovane a cui è stato assegnato il titolo di National Youth Poet Laureate; dal 2014 è delegata giovanile dell'Onu.

Blood and Treasure-Bob Drury 2021-04-20 The explosive true saga of the legendary figure Daniel Boone and the bloody struggle for America's frontier by two bestselling authors at the height of their writing power--Bob Drury and Tom Clavin. It is the mid-eighteenth century, and in the 13 colonies founded by Great Britain, anxious colonists desperate to conquer and settle North America's "First Frontier" beyond the Appalachian Mountains commence a series of bloody battles. These violent conflicts are waged against the Native American tribes whose lands they covet, the French, and finally against the mother country itself in an American Revolution destined to reverberate around the world. This is the setting of Blood and Treasure, and the guide

to this epic narrative is America's first and arguably greatest pathfinder, Daniel Boone—not the coonskin cap-wearing caricature of popular culture but the flesh-and-blood frontiersman and Revolutionary War hero whose explorations into the forested frontier beyond the great mountains would become the stuff of legend. Now, thanks to painstaking research by two award-winning authors, the story of the brutal birth of the United States is told through the eyes of both the ordinary and larger-than-life men and women, white and red, who witnessed it. This fast-paced and fiery narrative, fueled by contemporary diaries and journals, newspaper reports, and eyewitness accounts, is a stirring chronicle of the conflict over America's "First Frontier" that places the reader at the center of this remarkable epoch and its gripping tales of courage and sacrifice.

Meet P. J. Funnybunny in this humorous and touching Beginner Book by Marilyn Sadler and Roger Bollen. It's Not Easy Being a Bunny tells the "tail" of P.J. and his quest to become something other than what he is. Is it more fun to be a bear, a bird, or a pig? Read along as P.J. tries to determine who he is--and where he belongs. Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning. "Sick of being a bunny, P. J. Funnybunny takes off to become a bear. Hibernation gets dull, so he tries being a bird. And so it goes, with beavers, pigs, possums, and skunks--till P. J. realizes that bunnyhood is for him. The short, repeating text is ideal for beginners and the bright, humorous cartoons will get immediate attention." --School Library Journal.

A Place to Hang the Moon-Kate Albus

2021-02-02 For fans of *The War That Saved My Life* and other World War II fiction, *A Place to Hang the Moon* is the tale of three orphaned siblings who are evacuated from London to live in the countryside with the secret hope of finding a permanent family. It is 1940 and William, 12, Edmund, 11, and Anna, 9, aren't terribly upset by the death of the not-so-grandmotherly grandmother who has taken care of them since their parents died. But the children do need a guardian, and in the dark days of World War II London, those are in short supply, especially if they hope to stay together. Could the mass wartime evacuation of children from London to

the countryside be the answer? It's a preposterous plan, but off they go-- keeping their predicament a secret, and hoping to be placed in a temporary home that ends up lasting forever. Moving from one billet to another, the children suffer the cruel trickery of foster brothers, the cold realities of outdoor toilets and the hollowness of empty stomachs. They find comfort in the village lending library, whose kind librarian, Nora Müller, seems an excellent choice of billet, except that her German husband's whereabouts are currently unknown, and some of the villagers consider her unsuitable. *A Place to Hang the Moon* is a story about the dire importance of family: the one you're given, and the one you choose. A Junior Library Guild Gold Standard Selection
